## An update on the project we are delivering for your local community

**Adrien Argentin**  
Senior Site  
Manager

Hello, I'm your Senior Site Manager and I wanted to share with you the latest news on the project we are delivering for the local community.

Here, you will find an update on what we have been doing over the past month as well as how we have been engaging with the local community.

I hope you find this information useful and if you have any questions, I would be happy to speak with you.

## An update on your project

The last month saw the site re-open after the Christmas break on 4<sup>th</sup> January.

The tower crane installation had been pushed back many times due to weather conditions and was finally installed in two stages on 15<sup>th</sup> and 16<sup>th</sup> January and 29<sup>th</sup> and 30<sup>th</sup> January. The tower crane will become operational Thursday 10<sup>th</sup> February.

Piling finished on 2<sup>nd</sup> February.

Thames Water will be carrying out a survey of the existing sewer on Monday 7<sup>th</sup> February.

Foundation and excavation works are ongoing.

## Ministerial Visit at London Dock site

We were delighted to welcome the Minister for Employment, Mims Davies, to our Mulberry Academy London Dock project on 18<sup>th</sup> January.

The Minister met a number of our team who have taken an early careers' route with Kier, such as apprenticeships or the Kier degree, and spoke about the fantastic job and career opportunities Kier and the construction industry offer to local communities and young people.

This exciting project will create around:

- ✓ 10 local new job opportunities
- ✓ 10 new apprenticeships
- ✓ 30 local work experience placements
- ✓ outreach programmes to local businesses and schools

In partnership with our supply chain this project will, at its peak, have around 250 skilled tradespeople on site and, after the two year construction period, will have created around 2000 job and work experience opportunities overall.

## Site opening hours

08:00 – 18:00 Monday – Friday

08:00 – 13:00 Saturday

Out of hours contact telephone number  
07870 835 258

Kier project office

Mulberry London Dock School, Plot E, 10  
Virginia Street, London, E1W 2AS

## Keeping you informed

We will be going online very soon, with a dedicated construction microsite for the project. You will be able to be kept up to date in real time and not have to wait for a newsletter!

There will be a QR code available that will take you straight to the site on the hoarding, along with a URL.

## Get in touch

If you have any questions or concerns then please get in touch with Adrien Argentin

Email: [adrien.arginin@kier.co.uk](mailto:adrien.arginin@kier.co.uk)
